-------------------------------------------	-------------------------------------------------	------------------------------------------------

This is an application for a Fire Protection System Permit requested in accordance with Unified Fire Code, Section 501.2 and Ohio Fire Code, Sections 502.1 and 104.2. Additionally:

1. Issued permits shall be kept on the premises designated therein at all times and shall be readily available for inspection by the code official according to UFC Section 107.3
2. Applications for permits shall be accompanied by **ONE SET** of construction documents or site plans, as required by the code official for evaluation of the application according to UFC Section 107.3.1
3. An application for a permit for any proposed work or operation shall be deemed to have been abandoned six months after the date of filing, unless such application has been diligently prosecuted or a permit shall have been issued; except that the code official shall grant one or more extensions of time for addition periods not exceeding 90 days each if there is reasonable cause according to UFC Section 107.3.2.

FOR OFFICIAL USE ONLY

MAKE CHECKS PAYABLE TO: BEAVERCREEK TOWNSHIP FIRE DEPARTMENT

The Fire Prevention Bureau reserves the right to impose a **Re-Inspection Fee** of **\$50.00** per re-inspection. These re-inspections are inspections that are required above and beyond the normal number of inspections to ensure system completion and readiness. All re-inspections must be scheduled in the normal scheduling process with the Fire Prevention Bureau. Any cancellation of a re-inspection must be done so within one business day of the scheduled re-inspection. Failure to cancel within the required time will result in payment of the \$50.00 Re-Inspection Fee being required
